<p>A USB Memory Stick is compulsory for all students doing computer subjects and strongly recommended for all other students wishing to transport files to and from school. These memory sticks MUST NOT have MP3 player capabilities. A simple and compact set of headphones (with the standard small stereo DIN plug) is compulsory for all students doing computer subjects and strongly recommended for all other students as the sound capabilities of our computers are being used in many subject areas.</p>			

* This charge includes payment for the Australian Science, Maths English Competitions and a visit by the Arts Council performers
Dear Parent: Please note that the Subject Charges were approved at a meeting of the Parents & Citizens Association on 22 October 2009 and are GST free.
